### STUDENT EVALUATION OF TEACHING

Graduate Program in Neuroscience Course: NRSC 501 2016/2017 Module 4

Rating (1 to 5) 1= very poor 2= poor 3= adequate 4= good 5= excellent

Evaluation Criteria		
<b>1. The instructor made it clear what students were expected to learn</b>	<b>Diamond</b>	<b>Average for all other instructors</b>
	4.91	4.63
<b>2. The instructor communicated the subject matter effectively</b>	<b>Diamond</b>	<b>Average for all other instructors</b>
	5.00	4.70
<b>3. The instructor helped inspire interest in learning the subject matter</b>	<b>Diamond</b>	<b>Average for all other instructors</b>
	5.00	4.79
<b>4. The instructor showed concern for student learning</b>	<b>Diamond</b>	<b>Average for all other instructors</b>
	5.00	4.75
<b>5. Overall, the instructor was an effective teacher</b>	<b>Diamond</b>	<b>Average for all other instructors</b>
	5.00	4.77

Prof. Diamond received 4 perfect 5.0s (out of a possible maximum of 5). Across the other 11 instructors for this module, a perfect score of 5.0 was given only once to one of those instructors.

Prof. Diamond received the highest rating of all professors on all items. On no item, did any of the 11 other professors receive as high a rating as Prof. Diamond, except for Question 4 where one other professors also received a rating as high as Prof. Diamond.
